

Join the PARTNER PROGRAM

SyracuseCoE is a hub for innovation.

Led by Syracuse University, SyracuseCoE is New York State's Center of Excellence in Environmental & Energy Systems.

The Partner Program brings together firms, institutions and community organizations to address global challenges in clean energy, healthy buildings, and water resources. Members collaborate to develop and commercialize new products and technologies.

The Center promotes jobs and wealth for CNY and NYS by collaborating with companies and universities to provide experiential learning opportunities for both students and the workforce.

SyracuseCoE's LEED Platinum headquarters facility is a living lab for energy-efficient building technologies - offering testbed opportunities to ideate, test and demonstrate the latest advances in in both real-world and simulated conditions.

Since 2000, SyracuseCoE has funded 150+ research, development, and demonstration projects, resulting in 1,500+ jobs created and retained, 58 patents and licenses reported and 16 new start-up companies founded.

3 PARTNER PROGRAM LEVELS
